Weekly HEALTH TIP

OSTEOPOROSIS
 Values calculate offers new therapy to prevent osteoporosis (weakening bones). Calcium is a natural hormone that helps bones develop in infants. Bone content increased 15% in women given calcium and calcium, compared to women given calcium and a placebo, reports Dr. Chae, Chief of U. of Washington. He suggests calcium could replace estrogen in treatment of choice for osteoporosis, as calcium has fewer negative side effects than estrogen therapy.

Dwight Leib Cracks Silver Spring Winner's Circle

Dwight Leib of Mechanicsburg cracked the winner's circle for the first time in 1990 in Kirby's Super Sprintman event at Silver Spring Speedway on Sunday night. It was Dwight's first win. Carl Grimes of Mechanicsburg took his second limited fuel model win of the year and Ken Gauder took his first since 1985 15-lap main.

Sprints, Sportsman, Match Race

The Super Sprintman division returns to Williams Grove Speedway this Friday night, July 20, along with the Sprint cars. Also on the card this week is a special match race featuring Williams Grove's own driver, Kirby's Super Sprintman. The match race participants include Jeff Hanson, crew chief of Darrell Waltrip's Tide team, along with John Bowman, Eddie Dickerson and crew member Ed Wilson. They will be challenged by Harry Dodson, crew chief for Winston Cup champion Rusty Wallace.

The Sprintman cars have only run one feature at Williams Grove this season and it was won by Rick Eckelberger. The June 29 Sprintman feature was rained out and will be made up on September 14.

Williams Grove's original schedule listed Lasz Models along with Sprints and Sprintman for July 20, but the Lasz Models have been dropped for this week. They have been added to the September 14 program.

The Sprint car feature will be 25 laps this week and the Super Sprintman feature will be 20 laps.

First heat is scheduled for 8:00. Closing events will be August 23: World of Outlaws invasion, July 29: Budweiser 200.

On Sunday, July 29, the Nashville Network (TNN) will broadcast the second World race night series this season at Williams Grove. The race will be shown at three different times on July 29. Fans are asked to check local listings for those times.

Locke Takes \$2000 Firecracker 40

Howie Locke of Mechanicsburg captured his second sprintman feature win of the year Tuesday night at Silver Spring Speedway in the Firecracker 40. Locke took home \$2000 for his victory.

Harry Howard of Haverly also took his second feature win in the limited late model 20-lap main event. Larry Hughes of Summersdale took the sprint stock feature.

Jim Shuttlesworth of Mechanicsburg finished second in the Firecracker 40 and rounding out the top ten were Dave Condit of Shomakerstown, Gary Wolford of Haverly, Dwight Leib of Mechanicsburg, Rick Eckelberger of Dillburg, Larry Jackson of Newville, Bob Haverly of Dillburg, Billy C. Condit of Shomakerstown, and Jeremy Treat of Felton.

Other winners were Leib, Condit, George Kider of Dillburg and Eckelberger. Mike Irwin of Frederickburg and George Grupp of Marysville took the consolation.
